Dear Ms. Kimberly Bose,

Calvert County is in need of money, jobs, and overall economic development. The Dominion development plan is an excellent way to take steps towards meeting all of those needs, and in a way that is conscious of the environment and thoughtful for the community. I've lived in this area for 25 years, and I know the needs of this place rather well. Dominion has left no room for doubt in their thorough research and planning of this project, so let's finally move ahead with helping our county.

Sincerely,

Charles Ruttkay
